

TGI Friday's Serving Up Fun and Making a Difference!

Please come out to TGI Fridays and help support POAC. You will have a great time as bartenders from across the state compete. It's a great show and a great time. All competition drinks are auctioned off with prizes including sports memorabilia, TVs and other items. You will surely want to bid on something. Last year the auctions items included signed baseball bats by Yankee and Met favorites, footballs signed by some of the greats including Joe Nameth, Dan Marino and others, mountain bikes, and other terrific stuff. The music and entertainment are wonderful, the drinks are great as always, and the food at Friday's is the best. There is no charge to get in. Bring the family for dinner, stay for the fun.

Join POAC and TGI Fridays on the following dates:
